United States Steel Company you now own as compared to the proportion of stock you once held? A. I will not answer that question.

Mr. Guthrie continued to bob up and down with objections, calling every now and then for a suspension of the examination.

Q. Have you parted with the bulk of Your holdings of Steel stock? A. I refuse to answer.

Mr. Schwab finally refused to testify in regard to his knowledge of what effect the organization of the United States Steel Corporation had toward inflating 'prices of steel properties.

How Bethlehem Was Organized.

Q. Do you know that the Bethlehem Company was organized in 1889 with a capital of 300,000 shares, par value \$50 a share, and that only \$1 a share was paid into the treasury? A. Yes.

Q. You know that when you bought the Bethlehem Steel Company only \$1 a share, or \$300,000, had been paid into the treasury? A. Yes.

Q. You know that when you bought the Bethlehem Steel Company only \$1 a share, or \$300,000, had been paid into the treasury? A. Yes.

Q. You know that there was an ention on the Bethlehem plant previous to the one you secured for less money than you paid? A. Yes.

Q. You paid a higher price than the previous option? A. The other copion, I believe, was \$23.50 a share, and I paid \$24 a share.

Q. Are you sure the earlier option was not \$22.50? A. All I know is what I was told.

No Competition on Armor-Plate.

Mr. Schwab said that there was absolutely no competition in supplying the Government with armor-plate.

Mr. Schwab said that there was absolutely no competition in supplying the Government with armor-plate.

Q. Are you sure the earlier option was sold \$22.50? A. All I know is what I was led.

4. Do you not know that the Cartegie plant was sold to the United tates Steel Company for three tates Steel Company for three tates steel Company for three tates ander option within a year!

Q. How many bonds of the United tates Shipbuilding Company, outside of the Bethlehem bonds, did you own when his suit was begun? A. I don't rember the figures. I will have to look up.

Q. Have you all you originally had?

Schwab Going to Europe.

Special to The Evening World.) clates (officers of the Steel Corporation) came to him and he took from them their stocks and bonds, giving them cash in return.

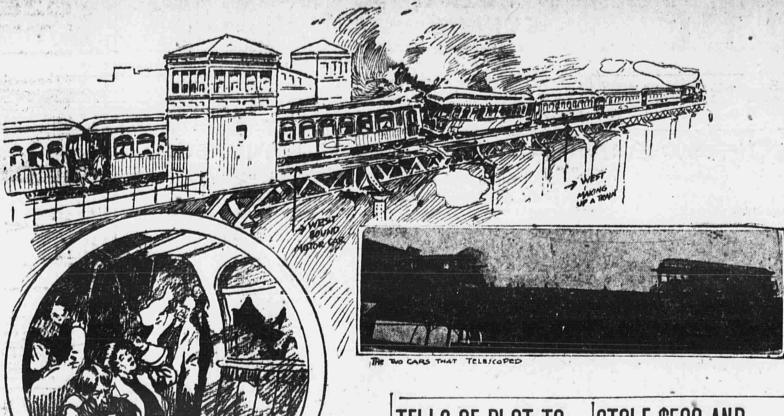

Mr. Schwab explained finafly that whatever he got out of the deal his associates would share in proportion to what they put in. "That is," continued Mr. Schwab, smiling, "if I ever get out with anything."

Mr. Untermyer asked Mr. Schwab if he had referred to his books during the haon recess concerning the matters of his deal with John W. Gates. Mr. Schwab replied that he had not been to his office. He sald he would secure these facts before the next hearing.

THE ACCIDENT ON THE BROOKLYN "L" SKETCHED BY BIEDERMAN AND ESPECIALLY PHOTOGRAPHED FOR THE EVENING WORLD. SUDDEN DEATH OF ALIBIS DON'T GO

THREE KILLED IN **BROOKLYN CRASH**

(Continued from First Page.)

were killed and thirteen passengers were badly injured. A train of five cars drawn by a steam engine came out of the yards near Alabama avenue

block it was brought to a full stop because the steam coupling of the rear car was out of order and great volumes of steam were pouring from it.

Although at a time in the morning when crowded passenger trains closely follow one another on the road, and the steam train was practically obscured from view by the thick white steam that was escaping from the defective coupling, no signal was set to warn the motorman of the train behind to slow up, no conductor or brakeman ran back on the track to stop the oncoming train. The simple application of a rule in force on every steam surface railroad in the world would have prevented what followed.

Amotor train of five cars, each one loaded to the very platforms with passengers, came along the Pitkin avenue structure at a high rate of speed. Too late the motorman, Edward Wanser, discerned through the cloud of white steam that the motor car telescoped the empty car into which it ran and the wreck

IN ESSEX MARKET RUTH CLEVELAND

Ex-President's Oldest Daughter So Magistrate Cornell An-Died To-Day at Their Home in Princeton, N. J., of an At-'tack of Diphtheria. Barber Shop.

PRINCETON, N. J., Jan. 7.-The home of former President Grover Cleveland was plunged in deepest gloom to-day by the death of Ruth, his eldest daughter.

The child was attacked by tonsilitis a few days ago, and yesterday it developed quickly into diphtheria. The disease could not be checked, and death resulted early to-day. Mr. Cleveland has always considered

his family and its affairs sacred from public inquiry, and servants at the house to-day were inclined to give little information. Mr. Cleveland, himself, however, answered the telephone and to The Evening World correspond-

"After a few days' illness, which besan with an attack of tonsilitis and developed suddenly into diphtheria, our eldest daughter, Ruth, died early this morning. That is all we care to say concerning our misfortune."

Perhaps little Ruth Cleveland occupied more notice in the nutleast over the barber shop, stated that is over the barber shop, stated that is all the nutleast over the barber shop, stated that is all the nutleast over the barber shop, stated that is all the nutleast over the barber shop, stated that is all the nutleast over the barber shop, stated that is all the nutleast over the barber shop, stated that is all the nutleast over the same and to his shop and to him that he knew where the satisfactory were and would return them for a state of the same and the nutleast over the nutleast ov

more notice in the publications of the world than any babe of royalty ever did, and there was no partisanship, no politics, in the loyalty of Baby Ruth and her mother.

Her mother, who was Miss Frances

and her mother.

Her mother, who was Miss Frances
Folsom, of Buffalo, was married to
President Cleveland, the guardian of
her estate, in the White House during
his first term as President.

Born in New York.

Born in New York.

Born in New York.

This is a very clear case," said
Magistrate Cornell, "and I'll hold"—
"Eut, Your Horor," interrupted the
lawyer for the defendant, "I want to
prove that my client was at home during the entire evening on which this
robbery took place."

New York City when Baby Ruth was born on Oct. 3, 1891. At that time Mr. Cleveland was being insistently spoken of as Democracy's candidate for the re-nomination as President, which he later secured, and this brought further prominence to the little baby.

No child ever received more birthday presents. prompted by real affection than little Ruth. A feature of the White House for a few days preceding each of press wagons waiting to deliver the hundreds of handsome presents which came from all quarters of the globe.

Plot to Kidnap Her.

the part of several Western desperadoes to kidnap little Ruth while her nurse had her at May on the White House grounds, the object being to hold her for a large ransom. The nurse and Ruth were placed under a guard and in other ways the plot was frustrated, but at that time it was sup-posed to have been real.
